

## **Sub Contract Assessor Vacancies Engineering Inspection.**

We need technical assessors in the following engineering / inspection fields

- Assessment of integrity of pressure systems
- Inspection of pressure systems in accordance with the Pressure Systems Safety Regulations
- Offshore verification (may need to visit offshore installations)
- Inspection of lifting equipment
- Inspection of cargo / pre shipment of agricultural commodities, petroleum / petrochemical commodities, mineral commodities or consumer products.

Applicants are expected to be Chartered Engineers or of equivalent status who have worked as engineering managers, surveyors or consultants in the fields specified above.

If you would like to discuss the details of the above vacancies, please contact Lal Ilan [lal.ilan@ukas.com](mailto:lal.ilan@ukas.com)

For details of the application process for Technical Assessors and to download the application papers please see our main jobs page at [http://www.ukas.com/tools/Jobs\\_at\\_UKAS.asp](http://www.ukas.com/tools/Jobs_at_UKAS.asp)

Please post your completed application papers to the Assessment Resource Section, 21-47 High Street, Feltham, Middlesex, TW13 4UN.
