

## **Forensic Sciences**

We are actively seeking sub-contract Technical Assessors in any of the above technical disciplines.

Applicants should have a number of years practical experience, preferably at a senior level, and possess up-to-date and detailed knowledge of applicable methods, matrices and sector specific requirements relevant to their field of expertise.

Additionally applicants should be able to demonstrate excellent interpersonal skills, being able to communicate effectively with laboratory staff, management and their customers at all levels.

Some experience of internal or external auditing would be beneficial.

It is important that our assessors are acceptable to a wide range of accredited bodies, and therefore it is important that they can demonstrate a good degree of impartiality.

For details of the application process for Technical Assessors and to download the application papers please see our main jobs page at [http://www.ukas.com/tools/Jobs\\_at\\_UKAS.asp](http://www.ukas.com/tools/Jobs_at_UKAS.asp)

Please post your completed application papers to the Assessment Resource Section, 21-47 High Street, Feltham, Middlesex, TW13 4UN or email: [humanresources@ukas.com](mailto:humanresources@ukas.com)

If you would like to discuss the details of these vacancies, please contact Rob Bettinson ([rob.bettinson@ukas.com](mailto:rob.bettinson@ukas.com)).
