## **Sub-Contract Assessors - ATEX**

We are urgently seeking sub-contract Technical Assessors with up-to-date knowledge of the relevant standards in the field of equipment and protective systems intended for use in potentially explosive atmospheres (ATEX).

Applicants should preferably have a number of years practical experience at a senior level, in this field. Assessors with Certification Body, Notified Body or Testing Laboratory experience are required.

Assessors are deployed by UKAS on an 'as and when required' basis and the number of days used can vary from just a few per year upwards.

If you would like to discuss the details of this vacancy please contact Trevor Thompson 020 8917 8476 or email [Trevor.Thompson@ukas.com](mailto:Trevor.Thompson@ukas.com)

For more information about UKAS and the role of sub-contract Technical Assessor please visit our jobs website at [www.ukas.com/jobs](http://www.ukas.com/jobs)

Please post application documents to the HR Manager at UKAS, 21-47 High Street, Feltham, Middlesex, TW13 4UN, Fax: 020 8917 8500 or Email: [personnel@ukas.com](mailto:personnel@ukas.com)

*The United Kingdom Accreditation Service (UKAS), a company limited by guarantee, is the sole body recognised by Government to assess and accredit the competence of laboratories, certification bodies and inspection bodies.*

*building confidence, enabling choice*
