Testing performed by the Organisation at the locations specified below		

Element Materials Technology Wednesbury Ltd is accredited for a flexible scope that enables them to:

Include technically equivalent standard methods to those already covered by ISO/IEC 17025:2017 accreditation.

Include newly revised standard methods that are already covered by ISO/IEC 17025:2017.

In accordance with their documented in-house procedure **EL-BE-QU-X-WED-F-180 Management of Element Wednesbury Flexible Scopes Including Additions/Removals and Responsibilities**
