

Technical Bulletin: Withdrawal of CIS 16 UKAS Requirements for ISMS Certification Bodies Certifying Privacy against ISO/IEC 27701: 2019

16 March 2022

This Bulletin is to confirm that UKAS publication CIS 16, UKAS Requirements for ISMS Certification Bodies Certifying Privacy against ISO/IEC 27701: 2019, has been withdrawn and will no longer appear on the UKAS website.

The withdrawal follows publication of ISO/IEC TS 27006-2: 2021, which replaces the need for CIS 16.

UKAS will review the implementation of the revised requirements at the next surveillance.

For any questions please contact your Assessment Manager, Alastair Hunter – UKAS Technical Focus for ISMS Alastair.hunter@ukas.com, Steve Randall – UKAS Certification Specialist steve.randall@ukas.com, or Kevin Belson – UKAS Technical Manager kevin.belson@ukas.com
