

CertCheck ✓

UKAS's free online service for independently verifying UKAS accredited management system certifications.

Free-to-use online database for verification that organisations hold accredited certification to ISO standards, such as:

- + ISO 9001 (Quality Management)
- + ISO 14001 (Environmental Management)
- + ISO 45001 (Health and Safety Management)
- + Plus over 15 other international standards/schemes

Total confidence in accredited certifications at the touch of a button

With UKAS CertCheck you can:

- + Check the validity of certification and its accredited status at the touch of a button
- + Create a free account to track any changes in the certified status of your suppliers
- + Search for certifications by company name or certificate number
- + Gain increased protection from fraud and counterfeit certificates
- + Streamline your procurement processes

“ This is a game-changer. Quality professionals and their organisations often have to deal with unaccredited or even counterfeit certification. Making this tool available to relevant people in their businesses will help hugely. ”

Vince Desmond | CEO of the Chartered Quality Institute (CQI)
