**SUMMARY OF ACCREDITED SCOPE**

Accredited to provide certification of the following Management Systems Standards and related Sector Schemes as detailed in this schedule:

This Certification Body has demonstrated to UKAS that it has the systems and processes in place to provide the competence and capability, including understanding of local requirements, to manage and issue accredited management systems certification in the country in which it is established and in any other country, for the standards and scopes detailed on this schedule, unless specifically detailed in the individual Management System scope table (denoted by *).
